**Early Care and Education/Applied Developmental Psychology and Policy Ph.D.** with 20 years of experience in early care and education, including 11 years in research with increasing levels of responsibility including the last 8 years managing large complex studies of state and national early childhood systems and state Pre-K, and leadership of the translational Policy Division at FPG.

- Expertise in early care and education quality measurement, early academic readiness and social skills, experiences of racially minoritized populations and dual language learners
- Expertise in state Pre-K and Quality Rating and Improvement Systems Research & Evaluation using quasi-experimental designs
- Advanced statistical skills and knowledge of statistical software (SAS, Mplus, R, and some SPSS and Stata)
- Project management of large research and evaluation studies and supervision of research, analysis, and data collection teams
- Mentoring of junior scholars and sitting on doctoral committees
- Excellent oral & written communication
- Experience with qualitative research
- Served as an expert on the study of the systems-level early childhood experts and child outcomes through participation in the INQUIRE workgroup and NC State Board of Education and DPI Taskforces on Early Literacy

## Education

Ph.D. in Education, University of California, Los Angeles, June 2012

Master of Education, Harvard Graduate School of Education, June 2002

Bachelor of Arts in Child Development and Family Studies, California State University, Long Beach, May 2001

## Professional Experience

### Senior Research Scientist & FPG Policy Division Lead

Frank Porter Graham Child Development Institute - UNC Chapel Hill, NC

March 2023-current

In addition to previous responsibilities as an Advanced Research Scientist:

- Full responsibility for leading and funding multiple projects and large data collection teams
- Lead efforts to increase reach of FPG dissemination products

### Advanced Research Scientist & FPG Policy Division Lead

Frank Porter Graham Child Development Institute - UNC Chapel Hill, NC

February 2020-2023

In addition to previous responsibilities as a Research Scientist:

- Lead statewide studies of state pre-K program efficacy and quality improvement efforts in North Carolina and Georgia
- Research to Practice and Policy Collaboration with the NC Division of Child Development & Early Education
- Lead FPG Early Childhood Efforts
- Coordinate and lead dissemination activities for the FPG Institute
- Serve on the FPG Director's Advisory Committee
- Mentoring of junior scholars and graduate students

# **SANDRA SOLIDAY HONG**

## **Research Scientist**

Frank Porter Graham Child Development Institute - UNC Chapel Hill, NC February 2015-2020

- Successful grant and contract awards for large multi-million dollar research and evaluation studies.
- Play a key role in the management of large research and evaluation studies on the implementation and impact of the state Pre-K program in Pennsylvania (Co-I), conducted a systematic review of the literature on ECE interventions (PI), examined the implementation of a nation-wide network of high-quality Educare Schools/Head Start programs (Investigator and Statistician), conducted validation study of the Illinois Quality Rating and Improvement System (Co-PI).
- Manage a staff of four research assistants and a data collection team of ten.
- Disseminate results to stakeholders, policy and professional audiences through publications in highly ranked journals, white papers, research briefs, policy reports, and presentations at practitioner-focused and professional meetings and conferences, and workshops.
- Lead initiatives to coordinate and facilitate publication among the Educare Learning Network local evaluation partners.

## **IES Postdoctoral Fellow – Quantitative Methods**

Frank Porter Graham Child Development Institute - UNC Chapel Hill, NC August 2012-January 2015

- Studied quantitative methods in early care and education research under the mentorship of Dr. Margaret Burchinal
- Focused on simulations of Quality Rating and Improvement Systems (QRIS) to inform federal and state decision-making during the roll-out of the Race-to-the-Top Early Learning Challenge Grant.
- Analyses utilized existing data from large studies of early care and education to examine which indicators related to child outcomes and combinations of indicators had strongest predictive validity for QRIS design.
- Submitted two first authored papers and one second-authored collaborative paper for publication in peer reviewed journals, a first-authored handbook chapter, and a collaborative handbook chapter.

## **QRIS Data Manager and Research Assistant**

Center for Improving Child Care Quality, UCLA September 2006-June 2012

- Supported research design, recruitment of participants, data management, analysis, and technical writing of research projects involving young children and families in local, state-wide, and national studies and evaluations of programs that serve young children and families, including quality improvement.
- Presentation and participation in local and national meetings related to issues that affect young children. Research Studies and Policy Projects: Family Literacy Project (2006-2007), LAExCELS (2006-2007), State of Play in LA Kindergarten Classrooms (2007-2008).
- Served as research expert on the design committee for the Steps to Excellence Quality Rating and Improvement System in Los Angeles County.
- Promoted to data manager for the Steps to Excellence LA County Quality Rating System (Data Manager, 2008-2012).
- Invited to present data on the Classroom Assessment Scoring System to stakeholders within LA Unified School District, the LA County Office of Education, and the LA County Office of Child Care.

## **Lecturer**

California State University Los Angeles Department of Child Development and Family Studies March 2010-June 2010

- Co-taught two sections of an undergraduate course on language development in childhood. Designed syllabus and instruction, including lectures and class discussions intended to engage student learning in collaboration with a fellow doctoral student.
- Adapted the traditionally linguistics focused course to encourage students to critically apply the course content to their work with young children, particularly children with exposure to multiple languages, and children with special needs.
- Received student evaluation scores above the department average.

## **Community Assessment Specialist**

Los Angeles Universal Preschool, Research and Evaluation Team September 2005-September 2006

## **SANDRA SOLIDAY HONG**

- Developed a system to track the supply and demand of preschool programs in Los Angeles County, and utilized existing public data to inform internal policy decisions.
- Designed a survey of early childhood programs in Los Angeles County to track program quality measures, family uptake patterns, and density of provider services.

### **Research and Evaluation Consultant**

Massachusetts Department of Education, Early Learning Services, Boston, MA July 2004-February 2005

- Jointly collaborated in the collection, analysis, and dissemination of data from a survey designed to evaluate the early care and education network in Massachusetts.
- Compiled and analyzed data to report on the evaluation of a collaboration of community early care and education councils which was distributed to the Massachusetts State Legislature.
- Conducted additional research to support publications, and statistical analysis.

### **Lead Pre-Kindergarten Teacher**

Park Street Kids, Boston, MA

September 2002-June 2004

- Engaged in intentional, sensitive, and individualized interactions with three to six year olds in an enriched learning environment designed to promote social development and academic learning.
- Collected dynamic assessments of children's development and cultivated strong relationships with parents and families.
- Taught an after-school program focused on science exploration.
- Developed and directed a week-long summer program for 200 children in the Boston area.

### **Early Head Start Study, Social-Emotional Coding Team**

Harvard University Graduate School of Education, Cambridge, MA

September 2001-August 2002

- Participated on a research team evaluating the launch of the Early Head Start Program.
- Utilized a social-emotional coding scheme to code video-taped parent-child interactions during the Three Bag Task.

### **Research Graduate Student Assistant**

Long Beach Unified School District, Long Beach, CA

January 2001-August 2001

- Evaluated the design of the research department website for dissemination of local, state, and national data relevant to the district.
- Scanned state testing scantrons and ran statistical programs to analyze data pertinent to public schools.

### **Assistant Teacher and Summer Lead Teacher:**

Mountain View Christian School, Fresno, CA

September 1997-December 1998,  
May 2000-September 2000

- Assisted the lead teacher in an after-school child care program for kindergarten and elementary-aged students.
- Lead teacher for the full-time four-year-old classroom summer program.

## **SERVICE**

### **Dissertation and Comprehensive Exam Committees**

- **Sarah Pedonti**, PhD, UNC-CH School of Education, June 2022, Outside Committee Member: *Associations Between Features of Disability Coordination and Literacy and Language Skills of At-Risk Children From Migrant and Seasonal Head Start Programs*
- **Lindsay Gomes**, Comprehensive Exam and Dissertation Committee, UNC-CH School of Psychology & Neuroscience, Developmental Psychology Graduate Program, May 2022: *Self-Regulation in Preschool: Development, Influential Factors, and Implications for Policy and Practice*

### **Early Career Mentoring**

## **SANDRA SOLIDAY HONG**

- **Heather Aiken**, PhD, Research Scientist, UNC-CH FPG Child Development Institute, Early Career Mentoring Program, 2021-23: Primary Mentor
- **Robert Carr**, PhD, Research Scientist, UNC-CH FPG Child Development Institute, Early Career Mentoring Program, 2022-23: Primary Mentor
- **Kamilah Legette**, PhD, Assistant Professor, Denver University, Psychology Department, 2022: Consultant-Promising Scholars Program with Foundation for Child Development
- **Society for Research in Child Development Latinx Caucus** in partnership with the National Research Center on Hispanic Children & Families (March 2023), Early Career Mentor

### **Ad-Hoc Journal Reviewer**

- Child Development (2013-present)
- Early Childhood Research Quarterly (2012-present)
- Journal for Teacher Education (2009-present)

### **Professional Organizations**

- Society for Research in Child Development (January 2007-present)
- Society for Research on Educational Effectiveness (2012-218)
- National Association for the Education of Young Children (2005-2006)

### **Committee Membership**

- North Carolina State Board of Education Literacy Taskforce – Member Appointed to Represent the North Carolina Birth-5 Interagency Council (December 2019-June 2020).
- North Carolina Department of Public Instruction 2020 Read to Achieve Process Evaluation RFP Evaluation Team – Non-Voting Member Appointed to Represent Institutes of Higher Education (December 2020-March 2021).
