Curriculum Vitae

Delivering a unique perspective for advancements in technical assistance and social research

- Able to leverage assessment, evaluation, and communication skills to address and solve problems in a systematic and thoughtful way.
 - Passion for serving children with disabilities through data-based program improvement.
-

Education

UNIVERSITY OF NORTH CAROLINA-CHAPEL HILL SCHOOL OF MEDICINE, NC
MD in Medicine, 2013

UNIVERSITY OF NORTH CAROLINA-CHAPEL HILL GILLINGS SCHOOL OF GLOBAL PUBLIC HEALTH, NC
MPH in Leadership/Program Planning and Evaluation, 2012

NORTH CAROLINA STATE UNIVERSITY, RALEIGH, NC
1st Major: BS in Biochemistry, December 2005. **2nd Major: BS in Polymer & Color Chemistry**, December 2005

OXFORD UNIVERSITY, OXFORD, UK
Study Abroad, summer 2003

Professional & Research Experience

UNC FRANK PORTER GRAHAM CHILD DEVELOPMENT INSTITUTE, CHAPEL HILL, NC
CENTER FOR IDEA EARLY CHILDHOOD DATA SYSTEMS (DaSy)

Social Research Specialist, 2014-present

Provide technical assistance for Part C and Section 619 coordinators, supporting implementation of high quality early childhood systems to support outcomes of children and families. Expertise in child outcomes measurement, early intervention services and finance, and project coordination.

UNC FRANK PORTER GRAHAM CHILD DEVELOPMENT INSTITUTE, CHAPEL HILL, NC
EARLY CHILDHOOD TECHNICAL ASSISTANCE (ECTA) CENTER

Social Research Specialist, 2014-present

Provide technical assistance for Part C and Section 619 coordinators and data managers in the development or enhancement of coordinated early childhood longitudinal data systems. Expertise in child outcomes data, finance data, data visualization as well as project coordination and communication.

UNC FRANK PORTER GRAHAM CHILD DEVELOPMENT INSTITUTE, CHAPEL HILL, NC
CENTER FOR IDEA EARLY CHILDHOOD DATA SYSTEMS (DaSy)

Social Research Assistant, 2013-2014

Contribute to yearly APR report creation, lead support staff training on improved processes, contribute ideas and content to TA products, and serve as DaSy center liaison to four states.

UNC FAMILY MEDICINE & ACCESSCARE, CHAPEL HILL, NC
LIVING HEALTHY PROGRAM

Social Research Intern, 2011-2012

Secure grant funding for a novel adaption of the Stanford "Healthy Living" Program in two NC counties to address health disparities, improve health outcomes, and decrease health care costs for patients with chronic disease. Coordinate with diverse partner organizations ranging from leaders of senior centers to health departments, academic medical

centers, and NC's Medicare network (AccessCare) to implement program. Produce comprehensive, systematic review of salient programs for comparative evaluation and adherence to best evidence based practice.

NORTH CAROLINA STATE UNIVERSITY, RALEIGH, NC

National Science Foundation Undergraduate Research Associate, 2004-2005

- Grant: National Science Foundation Undergraduate Research Grant
- Preceptor: Dr. Hauser, PhD, NCSU Department of Polymer Chemistry
- Title: Optimization of Cationic Dye Removal
- Description: Completed research using statistical (ANOVA) analysis and multivariate chemical modification to design and, if successful optimize, the use of treated/recycled cellulose fibers for chemical effluent filtration. Initial findings were presented in Washington, DC at Green Chemistry symposium.
